SUMMARY OF SETTLEMENT

This Action is a class action in which Plaintiffs Stephanie Singh, Gwen DeJesus, Joshua Allen, Raul Morales, Adrian Barrera, Jr., Claire Moore, Patrice Johnson, Nija Hunter, and Michael Sutton allege that the Defendants breached fiduciary duties owed to the participants in and beneficiaries of the Plan under ERISA by, among other things, using forfeitures to fund matching contributions to participants’ accounts instead of paying Plan-related costs for participants. A copy of the Complaint as well as other documents filed in the Action are available at <https://CapitalOneERISASettlement.com> or from Class Counsel. Defendants have denied and continue to deny all of the claims and allegations in the Action and deny any liability or wrongful conduct of any kind. Defendants believe they have administered the Plan properly, prudently, and in the best interests of Plan participants.

A Settlement Fund consisting of \$9,600,000 (nine million six hundred thousand dollars) in cash (the “Gross Settlement Amount”) is being established in the Action. The Gross Settlement Amount will be deposited into an escrow account, and the Gross Settlement Amount, together with any interest earned, will constitute the Settlement Fund. Payment of any taxes, approved attorneys’ fees and litigation expenses; payment of Case Contribution Awards to the Plaintiffs; and the costs of administering the Settlement will be paid out of the Settlement Fund. After the payment of such fees, expenses, and awards, the amount that remains will constitute the Net Settlement Amount. The Net Settlement Amount will be allocated to Settlement Class members according to a Plan of Allocation to be approved by the Court.

STATEMENT OF POTENTIAL OUTCOME OF THE ACTION

Defendants strongly dispute each of the claims asserted in the Action and deny that they ever engaged in any wrongdoing, violation of law, or breach of duty. Further, Plaintiffs would face an uncertain outcome if the Action were to continue. After Defendants filed a motion to dismiss the Complaint for failure to state a claim, the parties fully briefed that motion, and the parties attended a mediation, the Settlement was reached. If the Settlement had not been reached, Defendants would present evidence that they reasonably and prudently managed the Plan's forfeitures and fulfilled all of their fiduciary obligations. As a result, continued litigation could result in a judgment in favor of the Defendants and against the Plaintiffs and Settlement Class. Even if the Plaintiffs and Settlement Class prevailed, they might recover a judgment less than the benefits obtained as part of the Settlement, or no recovery at all.

The Plaintiffs and the Defendants disagree on liability and do not agree on the amount that would be recoverable even if the Plaintiffs were to prevail at trial. The Defendants deny all claims and contentions by the Plaintiffs. The Defendants deny that they are liable to the Settlement Class and deny that the Settlement Class or the Plan has suffered any damages for which the Defendants could be held legally responsible. Having considered the uncertainty, costs and risks inherent in any litigation, particularly in a complex case such as this, the Plaintiffs and Defendants have concluded that it is desirable that the Action be fully and finally settled on the terms and conditions set forth in the Settlement Agreement.

STATEMENT OF ATTORNEYS' FEES AND EXPENSES SOUGHT IN THE ACTION

Class Counsel will apply to the Court for an order awarding attorneys' fees not in excess of thirty-three and one-third percent (33 1/3%) of the Settlement Amount (a maximum amount of \$3,200,000), plus reimbursement of expenses not to exceed \$50,000.00. Any amount approved by the Court will be paid from the Settlement Fund.

WHAT WILL THE CLASS REPRESENTATIVES GET?

The Class Representatives will share in the allocation of the Net Settlement Amount on the same basis as all other members of the Settlement Class. In addition, the Class Representatives will ask the Court to award up to \$5,000.00 to each of the Class Representatives as Case Contribution Awards for their participation in the Action and representation of the Settlement Class. Any such awards will be paid solely from the Settlement Fund.

BASIC INFORMATION

1. WHY DID I GET THIS NOTICE PACKAGE?

You or someone in your family may have been a participant in or a beneficiary of the Plan during **the period from November 11, 2018 to January 13, 2026.**

The Court directed that this Notice be sent to you because, if you fall within the definition of the Settlement Class, you have a right to know about the Settlement and the options available to you regarding the Settlement before the Court decides whether to approve the Settlement. If the Court approves the Settlement, and after any objections and appeals are resolved, the Net Settlement Amount will be distributed to the Settlement Class members according to a Court-approved Plan of Allocation described below. This Notice describes the Action, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

2. WHAT IS THE ACTION ABOUT?

This Action concerns "forfeitures." Under the Plan, Capital One makes matching contributions to participants' individual Plan accounts. Participants must work for at least two years to "vest" in their employer contributions (they are always 100% vested in their own contributions). Those who leave sooner "forfeit" any unvested amounts as set forth in the Plan. Here, Plaintiffs claim that ERISA required Defendants to use forfeitures to pay the Plan's administrative expenses, and that Defendants instead improperly used forfeitures to fund matching contributions to participants' accounts. Based on this

alleged conduct regarding the allocation of Plan forfeitures, Plaintiffs allege that Defendants violated their fiduciary duties of prudence and loyalty under ERISA, violated ERISA's anti-inurement clause, and failed to monitor other fiduciaries.

THE DEFENSES IN THE ACTION

Defendants deny each of the claims and allegations made in the Action and deny that they ever engaged in any wrongful conduct. If the Action were to continue, the Defendants would raise numerous defenses to liability, including:

- Plaintiffs' claims in this Action are barred by res judicata, a legal doctrine that precludes the litigation of claims that were raised and adjudicated in a prior litigation between the parties (or their privies) as well as claims that might have been raised in the prior litigation but were not. Here, Plaintiffs' claims in this Action—all of which were brought on behalf of the Plan—are barred by res judicata because Plan participants sued Capital One on behalf of the Plan a few years ago in another litigation, and that lawsuit was dismissed with prejudice.
- Plaintiffs' claims also fail on the merits. The conduct that Plaintiffs challenge complies with over sixty years of legal guidance that permit the use of forfeitures to offset employer contributions.
- Plaintiffs' anti-inurement claim further fails under ERISA because the Complaint concedes that the Plan used forfeitures to provide benefits to participants, exactly as ERISA requires.
- To the extent Plaintiffs seek to reframe their claims based on a violation of the Plan's terms instead of violations of ERISA, their case fails including because Plaintiffs did not exhaust the Plan's administrative remedies, which is required under governing law.

THE ACTION HAS BEEN AGGRESSIVELY LITIGATED

Class Counsel has extensively investigated the allegations in the Action. Among other efforts, Class Counsel reviewed Plan-governing documents and materials, communications with Plan participants, U.S. Department of Labor filings, news articles and other publications, and other documents regarding the general and specific matters that were alleged in the Complaint filed on November 11, 2024. The Parties fully briefed Defendants' motion to dismiss the Complaint for failure to state a claim. After fully briefing that motion, the Parties filed notices of supplementary authority wherein they submitted for the Court's review recently decided cases the Parties felt supported their respective positions. In addition, the Parties agreed to mediate this case, filed a submission with the Court requesting that it stay this case pending mediation, prepared mediation statements setting forth their respective positions in this case, and participated in the mediation before a neutral third-party mediator. Before the Court ruled on the pending motion to dismiss, the Parties reached the Settlement during mediation on September 12, 2025.

3. WHY IS THIS CASE A CLASS ACTION?

In a class action, one or more plaintiffs, called "class representatives" or "named plaintiffs," sue on behalf of people who have similar claims. All of these people who have similar claims collectively make up the "class" and are referred to individually as "class members." One case resolves the issues for all class members together. Because the conduct alleged in this Action is claimed to have affected a large group of people – participants in the Plan during the Class Period – in a similar way, the Class Representatives filed this case as a class action.

4. WHY IS THERE A SETTLEMENT?

As in any litigation, all parties face an uncertain outcome. On the one hand, continuation of the case against the Defendants could result in a judgment greater than this Settlement. On the other hand, continuing the case could result in Plaintiffs obtaining no recovery at all or obtaining a recovery that is less than the amount of the Settlement. Based on these factors, the Plaintiffs and Class Counsel have concluded that the proposed Settlement is in the best interests of all Settlement Class members.

5. HOW DO I KNOW WHETHER I AM PART OF THE SETTLEMENT?

You are a member of the Settlement Class if you fall within the definition of the Settlement Class preliminarily approved by **Judge Margaret M. Garnett**:

All persons who participated in the Capital One Financial Corporation Associate Savings Plan at any time during the Class Period, including any Beneficiary of a deceased person who participated in the Plan at any time during the Class Period, and any Alternate Payee of a person subject to a Qualified Domestic Relations Order who participated in the Plan at any time during the Class Period. Excluded from the Settlement Class are Defendants and their beneficiaries.

The “Class Period” referred to in this definition is from November 11, 2018 to January 13, 2026. If you are a member of the Settlement Class, the amount of money you will receive, if any, will depend upon the Plan of Allocation, described below.

THE SETTLEMENT BENEFITS—WHAT YOU MAY GET

6. WHAT DOES THE SETTLEMENT PROVIDE?

Provided that the Settlement becomes Final, a Settlement Fund consisting of Nine Million Six Hundred Thousand Dollars and Zero Cents (\$9,600,000.00) will be established in the Action. The amount of money that will be allocated among members of the Settlement Class, after the payment of any taxes and Court-approved costs, fees, and expenses, including attorneys’ fees and expenses of Class Counsel, any Court-approved Case Contribution Awards to be paid to the Class Representatives, and payment of expenses incurred in calculating the Settlement payments and administering the Settlement, is called the Net Settlement Amount. The Net Settlement Amount will not be known until these other amounts are quantified and deducted. The Net Settlement Amount will be allocated to members of the Settlement Class according to a Plan of Allocation to be approved by the Court. The Plan of Allocation describes how Settlement payments will be distributed to Settlement Class members who receive a payment.

If the Settlement is approved by the Court, all Settlement Class Members and anyone claiming through them shall be deemed to fully release the Released Parties from Released Claims.

The Released Parties are (a) Defendants; (b) Defendants’ insurers, co-insurers, and reinsurers; (c) Capital One’s direct and indirect past, present, and future affiliates, parents, subsidiaries, divisions, joint ventures, predecessors, successors, successors-in-interest, assigns, boards of trustees, boards of directors, officers, trustees, directors, partners, principals, agents, managers, members, employees or heirs (including any individuals who serve or served in any of the foregoing capacities, such as members of the boards of trustees or boards of directors that are associated with any of Defendants’ past, present, and future affiliates), and each Person that controls, is controlled by, or is under common control with them; (d) the Plan and the Plan’s current and past fiduciaries, administrators, plan administrators, recordkeepers, service providers, consultants, attorneys, agents, insurers and parties-in-interest; and (e) Defendants’ independent contractors, representatives, attorneys, administrators, insurers, fiduciaries, accountants, auditors, advisors, consultants, personal representatives, spouses, heirs, executors, administrators, associates, employee benefit plan fiduciaries (with the exception of the Independent Fiduciary), employee benefit plan administrators, service providers to the Plan (including their owners and employees), members of their immediate families, consultants, subcontractors, and all persons acting under, by, through, or in concert with any of them.

The above description of the proposed Settlement is only a summary. The complete terms, including the definitions of the Released Parties and Released Claims, are set forth in the Settlement Agreement (including its exhibits), which may be obtained at a dedicated Settlement Internet site, <https://CapitalOneERISASettlement.com> or by contacting Class Counsel listed on Page 2 above.

7. HOW MUCH WILL MY PAYMENT BE?

Each Settlement Class member's share will be calculated according to a Court-approved Plan of Allocation by a third-party vendor ("Settlement Administrator") selected by Class Counsel and approved by the Court. You are not required to calculate the amount you may be entitled to receive under the Settlement as the Settlement Administrator will do so under the Plan of Allocation. In general, your proportionate share of the Settlement will be calculated as follows:

- First, the Settlement Administrator will determine whether you had a separate account in the Plan with a positive beginning account balance (determined by the previous year-end account balance).
- Second, the balance for all Class Members will be summed.
- Third, the Settlement Administrator will divide the sum of the instances in which you began a calendar year for each year of the Class Period with a positive beginning account balance, by the total sum of Plan accounts with a balance to begin such a calendar year.
- Fourth, the amounts resulting from this calculation will be used to calculate the settlement payment to each Class Member in pro rata proportion to the length of time they participated in the Plan.
- The amounts resulting from this initial calculation will be known as the Preliminary Entitlement Amount. Former Participants who are entitled to a distribution of \$5.00 or less (the Former Participant De Minimis Amount) will not receive a distribution from the Net Settlement Amount. The Settlement Administrator shall recalculate the entitlement amount excluding those participants described above. The resulting calculation shall be the Final Entitlement Amount for each Class Member entitled to a distribution. The sum of the Final Entitlement Amount for each remaining Class Member will equal the dollar amount of the Net Settlement Amount.

You will not be required to produce records that show your Plan activity. If you are entitled to a share of the Settlement Fund, your share of the Settlement will be determined based on the Plan's records for your account. If you have questions regarding the allocation of the Net Settlement Amount, please contact Class Counsel listed on Page 2 above.

8. HOW MAY I RECEIVE A PAYMENT?

You do not need to file a claim. The Entitlement Amount for Settlement Class members with an Active Account (an account with a positive balance) as of the calculation of the Final Entitlement Amount (unless that Plan account is closed the intervening period between the calculation of the Final Entitlement Amount and the payment of the Final Entitlement Amount, in which case that Class Member will receive their allocation via a check) will be paid into the Plan. Former Participants will be paid directly by the Settlement Administrator by check.

All such payments are intended by the Settlement Class to be "restorative payments" in accordance with Internal Revenue Service Revenue Ruling 2002-45. Checks issued to Former Participants pursuant to this paragraph shall be valid for 180 days from the date of issue. If you are a former Plan participant and have not provided the Plan with your current address, please contact Class Counsel listed on Page 2 above.

Each Class Member who receives a payment under this Settlement Agreement shall be fully and ultimately responsible for payment of any and all federal, state, or local taxes resulting from or attributable to the payment received by such person.

9. WHEN WOULD I GET MY PAYMENT?

The Settlement cannot be completed unless and until several events occur. These events include final approval of the Settlement by the Court, approval of the Settlement by an independent fiduciary to the Plan, transfer of the Net Settlement Amount to the Plan, and calculation of the amount of the Settlement owed to each Settlement Class member. If objections are made to the Settlement or appeals are taken by objectors who oppose the approval of the Settlement, this process may take a long time to complete, possibly several years.

There will be no payments if the Settlement Agreement is terminated.

The Settlement Agreement may be terminated for several reasons, including if (1) the Court does not approve or materially modifies the Settlement Agreement, or (2) the Court approves the Settlement Agreement but the approval is reversed or materially modified by an appellate court. If the Settlement Agreement is terminated, the Action will proceed again as if the Settlement Agreement had not been entered into. The Settlement is not conditioned upon the Court's approval of attorneys' fees or the reimbursement of expenses/costs sought by Class Counsel, the Case Contribution Awards sought by the Named Plaintiffs, or any appeals solely related thereto.

10. CAN I GET OUT OF THE SETTLEMENT?

You do not have the right to exclude yourself from the Settlement. The Settlement Agreement provides for certification of the Settlement Class as a non-opt-out class action under Federal Rule of Civil Procedure 23(b)(1), and the Court has preliminarily determined that the requirements of that rule have been satisfied. Thus, it is not possible for any Settlement Class members to exclude themselves from the Settlement. As a Settlement Class member, you will be bound by any judgments or orders that are entered in the Action for all claims that were or could have been asserted in the Action or are otherwise released under the Settlement.

Although you cannot opt out of the Settlement, you can object to the Settlement and ask the Court not to approve it. For more information on how to object to the Settlement, see the answer to Question 13 below.

THE LAWYERS REPRESENTING YOU

11. DO I HAVE A LAWYER IN THE CASE?

The Court has preliminarily appointed the law firm of Capozzi Adler, P.C. as Class Counsel for the Named Plaintiffs in the Action. You will not be charged directly by these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

12. HOW WILL THE LAWYERS BE PAID?

Class Counsel will file a motion for the award of attorneys' fees of not more than 33 and 1/3 percent of the Settlement Amount (\$3,200,000.00), plus reimbursement of expenses incurred in connection with the prosecution of the Action of no more than \$50,000.00. This motion will be considered at the Fairness Hearing described below.

OBJECTING TO THE ATTORNEYS' FEES

By following the procedures described in the answer to Question 13, you can tell the Court that you do not agree with the fees and expenses the attorneys intend to seek and ask the Court to deny their motion or limit the award.

13. HOW DO I TELL THE COURT IF I DO NOT LIKE THE SETTLEMENT?
